

Cardiac care. It's at the heart of what we do best.

Sky Ridge Medical Center is proud to announce the expansion of our cardiovascular services as part of our continued commitment to the health of the community. We're pleased to bring you this added dimension of service, close to home. For many cardiac patients, life is a journey of the heart. A journey that begins even before diagnosis and continues during and after treatment. Our pledge to expansive cardiac care enables us to provide you with world-class screenings, preventative and surgical technologies, along with the most compassionate, experienced medical professionals. For a complete listing of our cardiologists and cardiovascular surgeons, call 720-225-5DOC.
